15 before me on December 12, 2012. The United States was represented by AUSA Nicholas  
16 Brown and the defendant by Bruce Erickson. The proceedings were digitally recorded.

17 Defendant had been sentenced on or about December 8, 2006 by the Honorable Robert  
18 S. Lasnik on a charge of Conspiracy to Distribute Cocaine Base, and sentenced to 36 months  
19 custody, 5 years supervised release.

20 The conditions of supervised release included the standard conditions plus the  
21 requirements that defendant submit to search, participate in drug testing and treatment,  
22 participate in mental health treatment including MRT, provide access to financial information

TO ALLEGED VIOLATIONS OF SUPERVISED RELEASE

01 upon request and not associate with any known gang members. (Dkt. 264.)

02 On April 21, 2008, the sentence was reduced to 29 months, pursuant to the amended  
03 guidelines range for crack cocaine offenses. (Dkt. 365.) All other provisions of the judgment  
04 remained in effect.

05 On August 15, 2008, defendant's probation officer reported that defendant had violated  
06 the conditions of supervised release by associating with a known felon. The probation officer  
07 recommended that the violation be addressed through the MRT program and no further action  
08 was taken at the time. (Dkt. 392.) After an arrest for driving with license suspended on August  
09 24, 2008, defendant's supervision was modified to require participation in home confinement  
10 with electronic monitoring for up to 90 days. (Dkt. 396.)

11 On February 5, 2010, after admitting violations of supervised release for failing to  
12 participate in MRT as directed, failing to report as directed, committing the crime of driving  
13 with license suspended, associating with a convicted felon and associating with persons  
14 involved in criminal activity, defendant was sentenced to 30 days imprisonment and 59 months  
15 supervised release, including an additional requirement of 120 days participation in location  
16 monitoring and participation in MRT. Defendant was also prohibited from possessing any false  
17 identification documents. (Dkt. 439.)

18 On March 16, 2011, defendant admitted violating the conditions of supervised release  
19 by failing to comply with the location monitoring program, failing to participate in MRT,  
20 consuming marijuana, failing to report for urinalysis testing, and failing to report to the  
21 probation office as directed. (Dkt. 451.) Defendant was sentenced to four months  
22 imprisonment, 54 months supervised release. (Dkt. 460.)

01  
02 In an application dated September 14, 2012 (Dkt. 600, 601), U.S. Probation Officer  
03 Thomas J. Fitzgerald alleged the following violations of the conditions of supervised release:

04 1. Committing the crime of conspiracy to distribute a controlled substance on or  
05 before August 28, 2012, in King County, Washington, in violation of the general condition that  
06 he not commit another federal, state or local crime.

07 2. Associating with Herman Roche, a convicted Felon, on or before August 18,  
08 2012, in violation of special condition number 9.

09 Defendant was advised in full as to those charges and as to his constitutional rights.

10 Defendant admitted the violations and waived any evidentiary hearing as to whether  
11 they occurred. (Dkt. 641.)

12 I therefore recommend the Court find defendant violated his supervised release as  
13 alleged in violations 1 and 2, and that the Court conduct a hearing limited to the issue of  
14 disposition. The next hearing will be set before Judge Lasnik.

15 Pending a final determination by the Court, defendant has been detained.

16 DATED this 12<sup>th</sup> day of December , 2012.
